

## HOME SHOW BUILDING

- Due to construction in the Exhibition Hall, the only indoor space available is in this smaller Home Show Building next door.
- All spaces are 14 x 10, and are \$225 each.
- There will not be backdrop curtain on the wall booths. The red lines indicate backdrop curtains dividing the center booths. There will be low curtains between the spaces
- Each space will have 1– 8' banquet table and 2-chairs. The perimeter walls have many electrical outlets. If you need electricity, please try to choose one of the wall spots.
