

Miles City CowTown Cook Off

Dear Donor:

For the fourth year in a row, the Custer County Community Table is bringing Kansas City Barbeque to Miles City and we need your help. We were overwhelmed with the support and the success of our past competitions, and are requesting your sponsorship to support the success of our 2017 event to be held June 16-17. All proceeds from the event will go towards continuing the work of the Custer County Community Table where we feed nearly 50 individual a day. "Our mission is to provide a healthy meal to all who come to us in need – the poor, the hungry and the lonely".

This year we look forward to a bigger and better event. Since this is a Kansas City BBQ Society (KCBS) sanctioned event, we will have the big national teams coming to compete.

Just as we did last year, this event will be advertised throughout the eastern region of Montana, northern region of Wyoming, and western region of North & South Dakota as well as across the nation via the KCBS newsletter, which is publicized nationally. All of our sponsor's names will be listed on the float in the Bucking Horse Sale Parade in May, if your sponsorship arrives before May 10, it will be posted on the float. This event, this year coincides with the Miles City Ranch Rodeo, and the Badlands Bowl Football game.

With your sponsorship, we will pay prize money to the contestants, gain community recognition, and raise much needed revenue to continue to feed our neighbors in need. As an event donor, you will enjoy heightened visibility of your commitment to our community. More importantly, you will help us to encourage residents and visitors to discover food, fun and friendly competition.

As a member of the Miles City business community, you have a stake in the economic and civic health of our community. Please help us make this community event a success!

Sincerely,

Fidele Dent, Event Coordinator
