All entry forms may be returned to:

Miles City Jaycees Parade Committee
C/O Miles City Chamber
511 Pleasant Street
Miles City, MT 59301

As the entry forms are returned, we will assign an entry number via EMAIL to the participant, so please provide your email address. This number will be made by the entry, and placed on the left side of the unit (driver's door). Each entry must have a number large enough to be seen by the judging platform which will be located on the north side of Main Street.

All entries will start lining up at 8:30am on designated streets. Streets to be waiting on before the parade are as follows:

Bridge Street – Floats
Fort Street – Cars, Motorcycles, etc.
Park Street – Horses and Animals
Pacific Avenue – Tractors and Commercial Vehicles
Riverside Park – All walking units assemble in the park

South Fifth Street must be left CLEAR – This enables all entries to turn into position without congestion

1. The parade will travel east down Main Street to Montana Avenue then turn left onto North 12th Street for one block, turn left onto Pleasant Street and proceed to North 4th Street to end the parade. All entries must leave North 4th Street as soon as possible to the rest of the parade can flow through.
2. Try to make sure that everything on your float or automobile is in good working condition. Also, be sure to be at the line-up streets on time, this helps everyone have a better parade. Marching units are requested to have a forward moving routine to facilitate a smooth flowing parade. We hope that all entries will approve of the order on placement, as it is difficult to line everyone up ahead of time. Any unit planning to incorporate loud noises (bullwhips, horns, music) please inform the person lining up the floats beforehand so that you may be placed accordingly.
3. Entrants wishing to distribute candy or toys are asked to do so by hand to hand method, with **NO THROWING** into the crowd. This is because of the danger of children who may run into the street in front of units to retrieve the candy.

4. The Theme for this year's parade is "**Forever Red White and Blue**".
