Custer County District High School presents a *FREE* public lecture

Eva Kor:

Forgiving Dr. Mengele

Sunday, April 23
6:00 pm
CCDHS Gymnasium

Eva Kor was just ten years old when she and her twin sister, Miriam, arrived in Auschwitz and were herded into the sadistic care of the man known as the Angel of Death, Dr. Josef Mengele. Ms. Kor will talk about her experiences in Auschwitz, but also her recovery and her remarkable decision to publicly forgive the Nazis. Through her museum, Candles Holocaust Museum, and her lectures, she has dedicated her life to giving testimony on the Holocaust, providing a message of hope for people who have suffered, and working for causes of human rights and peace.

Chris suffered a spinal stroke in February, which has resulted in paralysis from mid chest down.

On March 8th she was flown to the Aurora University Hospital. She will require rehabilitative therapy for several months. It is unknown if she will ever be able to regain the use of her legs or return to work. Lance has been by her side every step of the way, so he is not making any income while away from his job. They are in need of help to offset not only medical costs and travel, but also day to day living expenses.

HERE ARE A FEW RULES AND SOME INFORMATION TO HELP YOU
PREPARE FOR THE EVENT:

WATERWORKS

ART MUSEUM

Welcome to the WaterWorks Art Museum's 1st Annual Kids Quick Draw! We wish you good luck completing your artwork in the 20 minutes. Participants ages are 10 – 18.

- **Rain:** In the event of RAIN, due to limited space in the upper floor of the Eagles, the Kids Quick Draw would have to be canceled. However, the Adults Quick Draw would still take place in the Eagles.
- **Set-Up:** Check in with us in the park prior to the start of the parade. **Please return to stations by 10:30 as the horn to start will sound at approximately 10:45am.**
A site will be set up prior to the start of the Quick Draw specifically for the Kids Quick Draw area.
- **Theme:** A landscape photo image will be supplied by the WAM for each of you to work on. This photo will be supplied from one of our Montana artists. It will be interesting to see how you will interpret their piece!
- **Supplies / Workspace:** A workspace for the Kids Quick Draw will be designated and tables, chairs and painting supplies will be supplied by the WAM. You are welcome to bring your own brushes if you would prefer to use your own.
- **Do's & Don'ts:** You will only be allowed to use the one photograph supplied by the WAM for reference.
- **Timeframe:** You have 20 minutes to complete your artwork. A horn will mark the beginning of the quick draw.
- **Finishing Up:** YOUR COMPLETED WORK WILL BE SHOWN BUT **NOT** AUCTIONED OFF. You will be given directions as to what to do with your artwork. This is our first year, so we are hopeful this will change for next year!
- **Publicity Release:** **Parents must sign** this form giving the WAM permission to use photos taken of the event to share for publicity.
- **Payments:** An entry fee of \$5.00 will be charged to cover supplies provided by the WAM. **ALL** participants must pre-register with the WAM. We will have 15 participants in this years Quick Draw, so make sure you are pre-registered no later than May 13, 2017.

Present...

Cultural Diversity & Muslims in America

with Dr. Ambrin F. Masood, PhD

Monday, May 8th ~ 7:00pm

Miles Community College—Room 106

Free presentation—Open to Everyone

With about 5 million Muslims living in the US, many Americans want to know; Who are they? Dr. Masood is an American, a mother, a wife, a professor, and a practicing Muslim. She prays 5 times a day, recites Quran every morning, fasts during Ramadan, recites Bismillah before she starts her car's engine, and pays her zakkaḥ (an annual charitable practice that is obligatory for all that can afford it, but she does not wear hijab. To Dr. Masood, Islam is not supposed to be difficult or rigid, it is not guilt, it is not fear, it is definitely not war. It is peace - internal and external peace. It's a lifestyle. Prayer gives her solace when she feels distressed or conflicted. That is her Islam, not the one many hear about from Taliban or ISIS. Dr. Masood's background in psychology makes her the perfect person to lead an open, welcoming discussion that invites questions and increases understanding.
