Cultural Diversity & Muslims in America

with Dr. Ambrin F. Masood, PhD

Monday, May 8th ~ 7:00pm

Miles Community College—Room 106

Free presentation—Open to Everyone

With about 5 million Muslims living in the US, man Americans want to know; Who are they? Dr. Masood is an American, a mother, a wife, a professor, and a practicing Muslim. She prays 5 times a day, recites Quran every morning, fasts during Ramadan, recites Bismillah before she starts her car's engine, and pays her zakkah (an annual charitable practice that is obligatory for all that can afford it, but she does not wear hijab. To Dr. Masood, Islam is not supposed to be difficult or rigid, it is not guilt, it is

not fear, it is definitely not war. It is peace - internal and external peace. It's a lifestyle. Prayer gives her solace when she feels distressed or conflicted. That is her Islam, not the one many hear about from Taliban or ISIS. Dr. Masood's background in psychology makes her the perfect person to lead an open, welcoming discussion that invites questions and increases understanding.

GREAT AMERICAN CLEANUP - MILES CITY MAY 12-13th

- *Before entering the Landfill make sure you have your In-District tag or you will be assessed a fee or unable to dump.
 Be sure to get your tag, at the landfill, before the cleanup days, as they will not be issuing them during these days.
- . You can take your garbage to the Miles City Landfill on Friday and Saturday. There will be NO assistance unloading!
- The City will no longer be picking up garbage at homes

RESIDENTS ONLY can take their own materials to the landfill on Friday, May 12th or Saturday, May 13th. The Landfill hours are 8:30am-5:30pm. NO ASBESTOS RELATED MATERIALS ARE ALLOWED AT ANY TIME

FEES APPLY TO ALL CONTRACTORS

Materials accepted at no charge at the landfill Friday and Saturday, May 12th & 13th are as follows:

- Household garbage
- Yard waste, trees, and compost
- Metal, aluminum, residential refrigerators (remove doors if possible)
- Concrete

A \$10 fee will apply to the following items:

- Air conditioner
- Soda machines
- Commercial refrigerators, freezers, and all other Freon units

Trash bags and gloves will be provided at the Park signup for groups participating in the Saturday clean up. Most people will clean up on Saturday, but you can clean up an area anytime during the week. Please, keep in mind that free disposal at the landfill will only be Friday and Saturday. Miles City Recycling options, as well as safety brochures, will also be available at the signup. They are also available at www.milescitychamber.com and at the Miles City Chamber office.

All residents in Miles City are encouraged to participate by beautifying their own property, including keeping weeds trimmed. We also ask that you provide assistance to anyone unable to clean their own yard.

Local partners of the Great American Cleanup of Miles City include; Keep Miles City Beautiful, the Miles City Star, the Miles City Chamber of Commerce, Custer County Landfill, and John and Michelle Muggli.

Additional information:

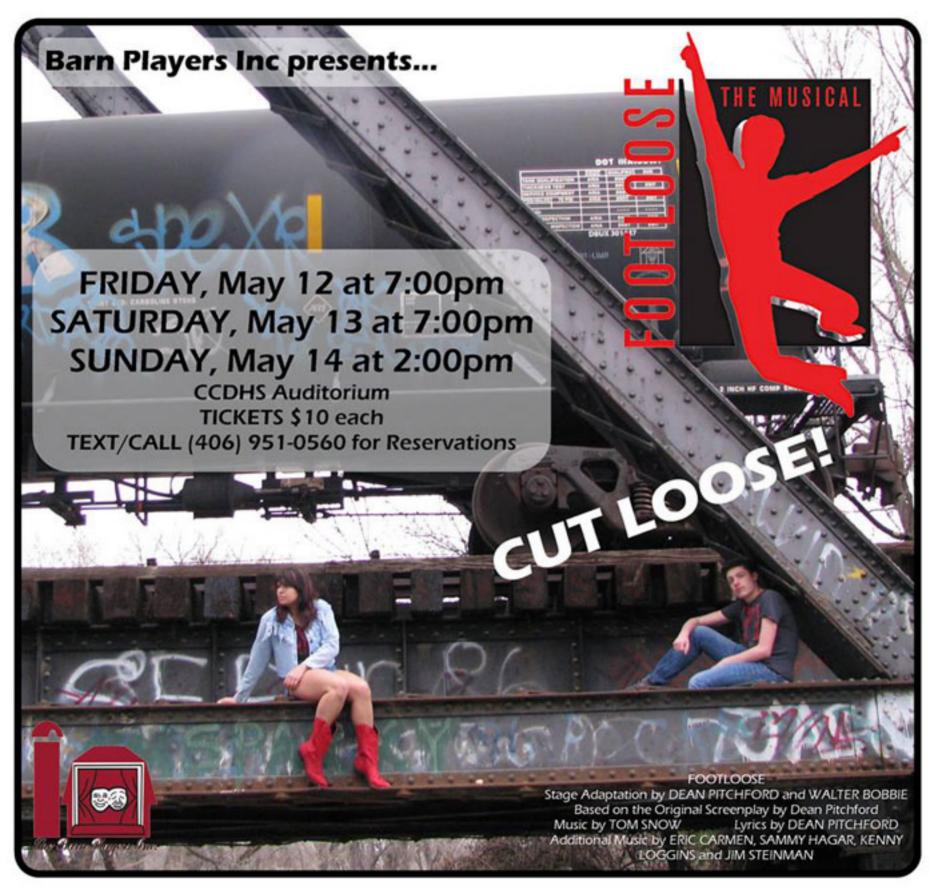

Spring is the best time to clean up, before the grass and weeds have a chance to hide trash and make retrieval difficult. Eliminating trashy areas reduces other unwelcome behavior. Fortunately, the reverse is also true – Clean Communities tend to stay cleaner. KMCB has already found the trash collected, in some areas, has decreased with regular maintenance. According to Keep America Beautiful research, a community, which ensures consistent and ongoing clean-up efforts, also sees a decrease in the amounts of contributed litter, thus driving down the costs of dealing with debris. The indirect costs of litter include the loss to businesses, based on the amount of trash deters customers from entering; keeping a new employer from locating in a community; and the reduction of real estate values. The presence of litter in a community actually decreases property values by 7%, according to the National Association of Home Builders pricing model.

The thousands of community Great American Cleanup events orchestrated each year are often the first volunteerism exposure that children and families experience. It can be the spark to continue volunteer service into their future.

<u>Saturday, May 13th—Riverside Park</u> 9:00am-12pm

Register to tackle one of the identified critical areas, pick up work gloves, garbage bags, and safety brochures!

LIFE INSURANCE...

"Are You Protected?"

WHY I DON'T WANT TO BUY LIFE INSURANCE

If you're like most people, it's not that you don't appreciate the value of life insurance. In fact, many people believe they need more coverage. You probably wouldn't mind owning additional life insurance, It's just that you don't want to buy it. Thinking about buying life insurance, talking about buying life insurance, discussing the reasons for buying life insurance... all of this makes people feel uncomfortable.

Here are just some of the reasons why you may be putting off buying the life insurance you know you need.

WHY WE DON'T

- I don't have enough time
- The subject is boring and morbid
- I don't know where to start
- . Life insurance isn't a high priority compared with other expenses I have

5 REASONS TO BUY LIFE INSURANCE

- To provide continuing income for your family members
- To pay off debts you leave behind
- To provide an estate for your loved ones
- To leave money to charity

THE BOTTOM LINE

It's easy to understand why people tend to put off purchasing the life insurance they know they need. But look at it this way: buying life insurance is one way you can help secure your family's financial future. And what could be better than knowing your loved ones will be protected, even if you're no longer around to take care of them?
