4th Annual Nonprofit Kaleidoscope Conference

June 13-14, 2018 | Miles City, Montana

Nonprofit Kaleidoscope is a mini-conference for nonprofit staff, volunteers and board members in rural Montana. Hosted by the Montana Nonprofit Association, this conference provides a unique training and networking opportunity for the nonprofit organizations that serve the diverse needs and interests in eastern Montana communities. **The 4th annual Kaleidoscope Conference returns to Miles City, MT with inspiring keynote presentations and several breakout sessions to choose from.**

Don't miss this excellent opportunity for nonprofit connections, education, and collaboration in your community. Save the date today!

Why the name Kaleidoscope?

One definition of Kaleidoscope is "a complex pattern of frequently changing shapes and colors." Rather like the nonprofit community itself, Nonprofit Kaleidoscope is not a random assortment of small bits and pieces; but a collection of parts that come together as a cohesive and purposeful whole. The word Kaleidoscope reminds us that even a slight shift in perspective and vision can change the whole picture.

About the Montana Nonprofit Association:

We believe Montana's vitality and livability depend on a thriving nonprofit sector. We see a future where nonprofits have the resources needed to fulfill their missions, are strategically connected with one another and with partners in business and government. Founded as a membership association in 2001, MNA achieves its mission through advocacy and public policy, access to affordable products and services, organizational development, research and information sharing, and network building. Representing the richness and diversity of Montana's charitable nonprofit community, MNA's 600 nonprofit members address a broad array of missions, come from all four corners of the state, and range in size from the smallest all-volunteer nonprofits to the largest organizations in Montana. We are many missions with one voice. For more information about MNA, visit www.mtnonprofit.org.
