## Miles City Area Community Fund

Dear Miles City Businesses:

Your support of area nonprofit charities with your donations, in-kind contributions, and volunteer time, is outstanding and much appreciated. Thank you!

To help make your, and the rest of the community's, charitable involvement more convenient, time-saving, and far reaching, the Miles City Area Community Fund is pleased to bring to Miles City for a 3<sup>rd</sup> year, the **Annual Online Giving Day May 3<sup>rd</sup> and 4<sup>th</sup>**. The Giving Day will be happening throughout Montana and the nation. Miles City is the local component of "Yellowstone Valley Gives," which is presented for our Yellowstone Valley region by the Billings Community Foundation.

This year there are 16, and counting, Miles City, tax-exempt nonprofits participating, which exceeds previous years. Last year's group of local nonprofits raised nearly \$26,000. This year the needs are even greater with the cutbacks that are affecting local services at the same time needs are growing. Miles City's Online Giving Day May 3 and 4 is a convenient "one-stop" opportunity for local businesses, nonprofits and community members to come together in a coordinated effort to benefit the community. Please check out: [yellowstonegives.org](http://yellowstonegives.org) (green menu button for Miles City) where you will find information about each nonprofit and online giving options for whichever charities you may choose. We also invite you to visit donor lounges at these eateries:

- Buy MT – Thursday, May 3, 12noon - 4pm
- New Range Riders Café – Friday, May 4, 4pm - 7pm

Best Regards,

Sandra Anderson  
Miles City Area Community Fund, Vice Chair  
L.P. and Teresa Anderson Foundation, President

**P.S. For those businesses that have a reader boards, we ask if you would please post the Giving Day information that follows.**

### TO BUSINESSES WITH READER BOARDS:

Dear Businesses with Reader Boards,

We ask that you please post the message in the box, on May 3<sup>rd</sup> and 4<sup>th</sup> for sure, and if possible, also the week before. Thank you for helping to make Miles City's Online Giving Day a success for our local nonprofit charities. For more information, contact Sandra Anderson, Miles City Area Community Fund at 951-5336.

## Take Action to Lower Your Breast and Ovarian Cancer Risk

Knowing your cancer risk and being proactive about your health may help you take steps to lower your risk for getting breast or ovarian cancer, or find it at an early stage.

## Learn Your Family History of Cancer

Asking relatives about their cancer histories can be hard. Follow these tips:

1. Share that you have learned that cancers can run in families.
2. Explain that you are creating a record of your family's history of cancer.
3. Encourage family members to respond in a way that is most comfortable to them.
4. Word your questions carefully, be a good listener, and respect their privacy.
5. Write down who had cancer, age when diagnosed, and type of cancer.

## Achievement Through Competent Reading

To improve their reading proficiency, students who struggle with reading need intensive, systematic, and explicit instruction in addition to their regular classroom in the following components:

- phonological awareness
- fluent reading in a variety of texts
- comprehension strategies
- vocabulary development
- decoding strategies
- word analysis.

The activities in this curriculum are intended to supplement the regular reading program and to provide the additional practice struggling readers need to develop basic reading strategies.

## Instructor Bio:

Cassidy DeJonge is a first grade teacher at Sacred Heart School. She has teaching certifications in English, Social Studies, Sociology, and Psychology. Cassidy also teaches children's guitar and ukulele.

Mrs. DeJonge is an avid reader who has a passion for sharing the joy of reading and language with students of all ages and abilities.
