## Cowboy Camp Meeting

Sep 5<sup>th</sup> - 8<sup>th</sup>, 2018

Range Riders Museum, Miles City, Mt

Wed, Sep 5<sup>th</sup>, 6:30 PM

Pastor Ray Perryman

Short Round Ministries is a ministry that some would call a little different. It is unique in the fact that we minister at stock shows and rodeos all across the United States. More than anything, we want to reach the lost and broken for JESUS!

Thur, Sep 6<sup>th</sup>, 6:30 PM

Pastor Crystal Lyons

Crystal Lyons grew up in the Ozarks of southern MO, knowing she had a call of God on her life but wanting to be a rodeo cowgirl and was POSITIVE that the two couldn't go together. God is always doing something new, unexpected and out of the ordinary and that's exactly what He did in her life.

Fri, Sep 7<sup>th</sup>, 6:30PM

Pastor Ken Barington

Pastor of Cross and Spurs Cowboy Church in Buchanan Dam, Texas. Pastor Ken and his wife Sherry also founded Cross and Spurs Ministry in 2005 and travel the country holding cowboy camp meetings and also ministry on Pine Ridge Reservation in South Dakota. Pastor Ken and Sherry love the LORD and love sharing JESUS!

Sat, Sep 8<sup>th</sup>, 6:30PM

Pastor Joe Dauben

Pastor of Cross and Spurs Cowboy Church in Miles City, Mt. Joe loves the Lord and was called to Miles City to show everyone here how much GOD LOVES THEM! Always working as a team, Joe's wife, Angie, sings Worship and Praise and Joe shares Gods word.

When to Collect Social Security...

## Do You *Know Your Options?*

Some filing strategies may not be right for everyone, and serve as an example on how the rules for calculating Social Security benefits can become complicated. Many contributing factors are at play including health, expected longevity, spousal and family situation, and earning potential. They all combine to produce a confusing array of potential outcomes for people to consider.

**Getting this decision right and getting the most value from your Social Security benefits will be critical to having a good standard of living in retirement.**

Call us today at Big Sky Financial Planning Group. We can help you find the right investment strategies that meet your retirement needs.

## Why do we Fair Value Price?

Fair Value Pricing is meant to make the experience of our guest more enjoyable and less time consuming. It is a way of doing business that guarantees a transparent, fair & competitive price on every vehicle. We do not inflate our prices to create an impression of savings. Instead, we focus on offering the best deal, every day, on every vehicle.

Our customers tell us that the most unpleasant aspect of purchasing a new or used automobile is the negotiating process. We are eliminating that step and taking the time to help you select the vehicle that is right for you based on your specific needs. Our prices are clearly marked via our website and prominently displayed on every vehicle at our location.

## How do we do this?

We conduct extensive market research daily to determine the Current Market Value of all our new and pre-owned vehicles. We offer our guests the best value in the market and post that price on every vehicle, every day. By pricing upfront, we can spend more time with our guests, selecting the vehicle that is right for them.

## Trade-In Process

At Notbohm Motors, we give you the true cash value for your trade, up front and in writing. In fact, we are so confident that our trade values represent the current market condition, we are willing to purchase your trade from you within 7 days, even if you don't buy a vehicle from us!

At Notbohm Motors, we do our very best to price our cars and value your trade right every time. Best of all, you can Buy with Confidence.
