## 2019 - BHS Parade Guidelines

You will be assigned an entry number, via EMAIL, so please provide your email address on the registration form. You will make your number, and place it on the left side of the unit (driver's door). Each entry must have a number large enough to be seen by the judging platform which will be located on the northside of Main Street. A 8.5x11 sheet of paper, using a large black marker, is fine. All entries will start lining up at 8:00am on the designated streets.

Designated streets are as follows:

- ***Bridge Street – Floats***
- ***Fort Street – Cars, Motorcycles, etc.***
- ***Park Street – Horses and Animals***
- ***Pacific Avenue – Tractors and Commercial Vehicles***
- ***Riverside Park – All walking units assemble in the park***
- ***South Fifth Street must be left CLEAR – This enables all entries to turn into position without congestion.***

1. The parade will travel east down Main Street to Montana Avenue, then turn left onto North 12th Street for one block, turn left onto Pleasant Street and proceed to North 4th Street to end the parade. All entries must leave North 4th Street as soon as possible, so the rest of the parade can flow through.
2. Try to make sure that everything on your float or automobile is in good working condition. Please—Line up on time, as this helps everyone have a better parade.
3. Marching units are requested to have a forward-moving routine to facilitate a smooth flowing parade.
4. We hope that all entries will approve of the order on placement, as it is difficult to line everyone up ahead of time. Any unit planning to incorporate loud noises (bullwhips, horns, music) please inform the person lining up the floats beforehand so that you may be placed accordingly.
5. Entrants wishing to distribute candy or toys are asked to do so by hand-to-hand method, with NO THROWING into the crowd. This is because of the danger of children who may run into the street in front of units to retrieve the candy.
6. The Theme for this year's parade is 'Old McDonald's Farm'
