Summer Reading Program

Welcome to the 2019 Program! There are four identical activity sessions to choose from: two on Tuesday and two on Thursday (unless otherwise indicated on the calendar or below). Choose the one that suits your family best. Special Guest Fridays are open to everyone, so bring your friends and family!

Reading Goals

We're changing up things in Summer 2019: every youth who completes their reading goal each week will get to add a charm to their summer reading bracelet or necklace. By the end of the summer, we will all have a fun memento to wear. All reading goals are set by each family—what works best for your youth to avoid the "summer slide". Let's read a Universe of Stories all summer long!

SPECIAL EVENTS & GUESTS!

Friday, June 7th: Learn ROCKETS w/ the Scouts!

2:00pm

Scouts will help everyone build rockets—and then we will shoot them off on the courthouse lawn (and possibly over the courthouse).

Tuesday, June 11th: MOVIE "Disney's Hidden Figures"

2:00pm

We will have Craft/Activity time at 11:00am, and spend the 2:00pm time slot watching a fun movie together (with refreshments)! CNADA helps sponsor our refreshments during movie days. "Hidden Figures" is rated PG and is two hours long.

Friday, June 14th: Miles City Water Plant—MEET AT THE PLANT!

1:00pm <<< Time Change!

Please make arrangements to meet AT the Miles City Water Plant (Pumping Plant road next to the Water Works Art Museum). Note on the time: 1:00pm!

Friday, June 21st: Woman's Club Special Project!

2:00pm

Our annual project with the Woman's Club of Miles City—who have supported our library and Summer Reading Program since 1992!

Friday, June 28th: Special Guest Montana PBS ALL DAY!

2:00pm

Montana PBS is visiting all day! Numerous opportunities to meet characters from PBS:

10:30-11:30am: Activities for a Younger/Preschool Audience (Ages 2-4) Space Activities!

12:30-1:30pm: Meet and Greet with Wyatt from Super Why!

2:00-3:30pm: Older Youth Activities (Ages 5+) Space Activities!

If you would like to pre-register for a PBS activity session, visit: <https://www.montanapbs.org/events/librarytour/>

#1 – June 3-June 13, 2019
#2 – June 17-June 27, 2019

Achievement Through Competent Reading

To improve their reading proficiency, students who struggle with reading need intensive, systematic, and explicit instruction in addition to their regular classroom in the following components:

- phonological awareness
- fluent reading in a variety of texts
- comprehension strategies
- vocabulary development
- decoding strategies
- word analysis.

The activities in this curriculum are intended to supplement the regular reading program and to provide the additional practice struggling readers need to develop basic reading strategies.

Instructor Bio:

Becky O'Donnell is a fourth-grade teacher at Sacred Heart School. Her teaching certification is in K-8 Elementary Education. Ms. O'Donnell has taught a variety of grades 1st through 8th and has advanced training in ELA-English Language Arts.

Ms. O'Donnell enjoys meeting students at their level, introducing students to good literature, fiction and non-fiction, teaching strategies and helping young readers gain confidence in their abilities.

Program Cost:

\$100 per session

Enroll in both for \$150

MILES CITY YOUTH BASEBALL ASSOCIATION

Dear Business Owner:

The Miles City Youth Baseball Association (MCYBA) has been awarded the contract to host the Babe Ruth 13U All-Star State Tournament, July 18-21, 2019 and the Babe Ruth 2019 13U Northwest Regional Tournament, July 22-28, 2019.

What that means for Miles City is teams from across Montana, Oregon, Washington, Wyoming, British Columbia, and Alberta will be coming to Miles City to compete in the tournaments. We are expecting approximately 8 teams per tournament, with approximately 10-12 kids per team.

MCYBA is putting together a welcome packet, to give to all the players and their families, with information regarding area attractions, local restaurants, businesses, etc. MCYBA is reaching out to area business to if they would like to include a coupon or item in the packet to help our guests feel welcome in Miles City.

A representative from MCYBA will be reaching out to you in the next couple of weeks, after you have had time to review our request, to see if you would like to include something in the packet.

For questions please contact Leanne Waterman, at (406) 853-2313, or by email at rlwaterman95@gmail.com

COWTOWN MOOSIC

**STARTING JUNE 25TH & CONTINUING FOR THE
NEXT SEVEN TUESDAY EVENINGS!**

**YES YOU READ THAT RIGHT EVERY TUESDAY TIL
AUGUST 6TH ON MAIN STREET, MILES CITY!**

Interested in more information, helping plan this great **FREE** event, or being a sponsor, call 406-234-7878 or send us a message on the Downtown Miles City's Facebook Page. Vendors watch our Facebook page in the coming week for more details and how to register!

Cowtown Moosic - Summer Concert Series

Dear Miles City Merchants, Business Owners, Organization Members,

We would like to invite you all to team up with us in bringing 'Cowtown Moosic' to Miles City. We expect this to be the premier event of the summer starting June 25th, and every Tuesday thereafter for the next 6 weeks. We will bring in amazing bands each week, with family-friendly activities so everyone can join in! Watch for great vendors, shopping, kids' activities, food, fun, and MORE! This event is for EVERYONE, in and around Miles City.

We invite every one of you, your staff, and your families to be a part of this great event!

During the organizing of this event, we will need the help and support of all of Miles City and every Merchant, Business, Bank, and Organization. We know everyone is tired of constantly being asked for sponsorship dollars, but this event is different...it's community building. With this event, we hope to inspire families to stay in Miles City, invest in this community, and thrive. Keeping our people here and helping to provide fun and family-friendly activities will only help keep more dollars in our town and build Miles City for those who discover how great a place it is to live and raise their families!

If you are interested in being a large, small, or in-kind sponsor, we ask you to please reach out, attend a meeting, and join our messenger group.

We have seven committees: Sponsorship/Fundraising, Volunteers, Facilities, Promotions/Marketing, Entertainment, Vendors and Activities. If you, any of your staff or someone you know, would like to be a part of these committees we would love for them to join us!

This community-minded event will be the talk of the town, with the support of Downtown Events (DTE) from Spearfish, SD, who has been doing their summer concert series for over 10 years; we expect great things! Their community matches ours in size and they have attendance upwards of 5,000! We hope to reach those numbers in time. But more than that, DTE has helped many other small towns bring these events to their communities and have seen them come back to life. For example, Belle Fourche, pop 5000, had many empty storefronts...by summer's end of their first year, they filled all of those empty buildings with new businesses that realized the potential and are continuing to thrive!

With these great stories and successes from nearby communities, how can we not get on board?!

So join us at meetings to see how you can get involved in this great event! Tune into the Downtown Miles City, Montana Page on Facebook for meetings, event times, and locations. Also, feel free to contact any of the committee members listed below.

Miles City is already great, let's just add something to make it fabulous!

Thank you for your support!

MARIJUANA USE & EDUCATIONAL OUTCOMES

Studies show that marijuana interferes with attention, motivation, memory, and learning. Students who use marijuana regularly tend to get lower grades and are more likely to drop out of high school than those who don't use. Those who use it regularly may be functioning at a reduced intellectual level most or all of the time.

MOST MARIJUANA USE BEGINS IN
ADOLESCENCE

78%

of the 2.4 million people who began using in the last year were aged 12 to 20.¹

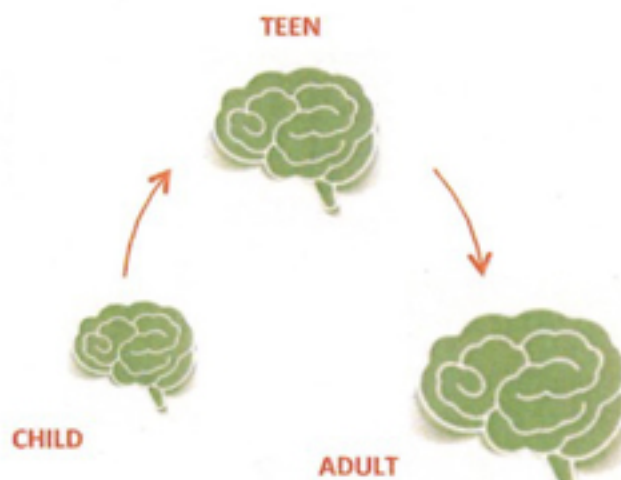

As perception of harm decreases...
