Miles City

Street Christmas Decorations Fundraiser

As you many know, due to the building collapse at the fairgrounds, and very limited renter's insurance, Miles City no longer has the street Christmas decorations and lights we have all grown to love during the holidays.

After many requests to replace them, the Miles City Area Chamber of Commerce is asking for help to relight Miles City for the holiday season. We are asking that you show your holiday spirit a little early this year and make an investment in the purchase of new street pole decorations for the holiday season. The lights are very durable, and last a long time, unless they get crushed, so it will be a long-term investment. We estimate the cost to replace what we had to be just over \$25,000, assuming the wiring in the poles is compatible. If it's not compatible with the power in place, we will need converters, which then doubles the cost. We have been told that they 'should' work, but it is worth mentioning.

If you would like to help, please send your investment to:

Miles City Area Chamber of Commerce
511 Pleasant St.
Miles City, MT 59301

Thank you for your consideration!

John Laney, Executive Director
