We are in search of a group, organization, or business, to take over the Community Easter Egg Hunt. The Sleep Inn & Suites has been organizing it for the last several years, but will no longer be able to host. They have a large number of eggs, recycled from previous years, to donate to the cause. Most, if not all, of the candy is donated each year, and the Day Treatment clients, at Eastern MT Mental Health, fill the eggs. The group would need to organize the day's, activities, including marking off areas for age groups, laying out the eggs, and cleanup after. The Chamber will market the event. There are typically several hundred children who enjoy this event, so we hate to see it go away. Please contact Amber at the Sleep Inn, or Terri at the Miles City Chamber of Commerce, if interested.
