# Imagine Your Story in the Park!

*Miles City Public Library's 2020 Summer Reading Program!*

## How to Sign Up for the Summer Reading Program

Thank you for joining our 2020 Summer Reading Program! Welcome one and all! There are so many ways to sign up! You can: call or visit the front desk of the library, or fill out the online <https://forms.gle/u2C9GZSzWbdfzNMo9>. All ages are welcome to join us at Riverside Park!

## Why should you get involved?

The Summer Reading Program is a great way to avoid the "summer slide" and keep reading and learning a priority while earning free Big Macs! This year we want you to *Imagine Your Story*, and all the myths, fairytales, and folktales that influence our lives. Each week will have a different theme with crafts, games, and guests to help us learn more about that theme. There will be two sessions on Tuesdays and Thursdays in Riverside Park on Main Street where parents can pick up kits that will contain crafts, games, literature suggestions, and other fun things families can do at home while quarantining. Take a picture and tag the Library on Facebook to get reading points for the crafts! Parents can then take the kits of activities home, or stay for a short game that kids can play in the park. On Fridays there will be a guest presenter to teach and entertain children of all ages.

## SPECIAL EVENTS & GUESTS!

### Friday, June 5th:

Ancient Greek and Norse warriors had to stay nice and fit! Get yourself battle-ready with our guest warrior trainer Awna Irish of Door 804! Stretch your way into healthy reading habits with this parent-child yoga session! Wear clothes you can move in!

### Friday, June 12th:

The dragons are at it again! Luckily our heroic dragon fighters (Miles City Firefighters) are here to save the day! Explore what it is like as a fire fighter and learn about fire safety! No need to be scared when the mighty dragon fighters arrive.

### Friday, June 19th:

There are few things fairies like better than sparkly white teeth, says the famous Tooth Fairy! Luckily, the Tooth Fairy was happy to send us one of her amazing helpers, Kacie Eayers from Hogan Family Dental, to teach us about how important our teeth are! This session will be great fun, and we will get to hear great stories and learn good habits from an expert!

### Friday, June 26th:

In the days of King Arthur there were bards and storytellers who would travel to different kingdoms to share stories. Come see Euan Cameron share adventurous stories! Time change to 3:30pm! Don't forget to bring stick horses this week!

# SUMMER ADULT CLASSES

Dear Friends of WAM,

The summer is here! The adult classes will be held outdoors if possible. Each class will be treated accordingly to how many sign up. We do have a limit on classes so please sign up and reserve a place in class. I have planned for some fun, relaxing, and easy classes that I hope you all enjoy. Because of these uncertain times, please know that all classes are subject to change.

Can't wait to see you all!

Bonny Beth L Olson, Education Director/Artist in Residence

**June 30**

Tuesday | 5:30 - 7:30 pm

Instructor: Bonny Beth L Olson

## Outdoors Drawing Class

Come enjoy a nice outdoors drawing class! This class is for all skill levels. All drawing materials are provided. If you would like to bring a lawn chair, please feel free!

Adults | Limit: 6 | Members: \$20, Non-Members: \$35

**July 31**

Friday | 5:30 - 8:00 pm

Instructor: Bonny Beth L Olson

## Plein Air Painting

Plein air paintings are prized for their spontaneity and freshness. The French Impressionists took their materials outside and studied all the different light sources this world has to offer. Keep your fingers crossed for good weather as we plan to set up in the back of the museum to capture the beautiful Yellowstone River! All painting supplies provided. You may bring a stool or something you wish to sit on. We will have folding chairs. Also, if you have a painting easel, feel free to bring that as well. We will have easels that sit on tables.

Adults | Limit: 6 | Members: \$20, Non-Members: \$35

**August 11**

Tuesday | 5:30 - 8:00 pm

Instructor: Bonny Beth L Olson

## Fiber Art Wall Hanging

Students will be given an assortment of supplies ranging from thread, yarn, and rope. We will be adding some wire, fishing string, ribbon, and anything we can weave and tie together. Contemporary artist Janine Antoni created a piece of work called Moor. Please take a look at her work and make connections to fiber art for an example. You may bring any materials that have sentimental value and incorporate into the weave.

Adults | Limit: 6 | Members: \$20, Non-Members: \$35

— Open Studio TBD —

Open Studio will be later determined depending on the state guidelines.

### 2D Room & Ceramics Open Studio Wednesdays | 5:30 - 8:30 pm

Both studios are open to the public during this specified time in the week. No prepared instruction will be provided by the education director. Rather, this is a time for artists or participants who are taking classes at the WAM to continue learning and creating on their own while using the excellent studio space provided by the WAM.

Use of the WAM studio facilities and supplies are free to the public; however the ceramic studio requires a fee. For more information about studio spaces and all other questions, please contact our education director, Bonny Beth L Olson.

# SUMMER KIDZ CREATE

Hello Parents and Young Artists,

I can't wait to see you all and get started on the 2020 Summers Kidz Create Program! I'm so pumped with the planned classes and I hope you are too! We had to make changes due to the COVID-19 to adhere to the social distancing and reduced capacity protocols in accordance with State guidelines. Due to the restrictive circumstances, classes for 5-7 year olds will not take place this summer. All classes will be held out doors and are subject to change. If the weather is an issue, changes might have to be made so please check Facebook and our website regularly. All class attendees must bring their own water bottles; if desired, attendees may bring their own face masks.

Let's be flexible, let's get excited, let's enjoy what this summer has to offer. I'm ready to have some fun and be creative! Come be creative with me!

All the best,

Ms. BB

Bonny Beth L Olson
