## Change your words... CHANGE YOUR MINDSET

### Fixed Mindset

### Growth Mindset

I'm not good at this.

What am I missing?

I'm awesome at this!

I'm on the right track.

I give up.

I'll use some of the strategies I've learned.

This is too hard.

This may take some time and effort.

I can't make this any better

I can always improve; I'll keep trying!

I can't do math.

I'm going to train my brain in math.

I made a mistake.

Mistakes help me improve.

I'll never be as smart as them.

I'm going to figure out what they do and try it.

It's good enough.

Is this really my best work?

brought to you by:  
Mentor for CHS math teachers

## HOPING to HELP YOU

MCC is back in full swing with COVID precautions in place. (Everyone is required to wear a mask when in the building.) We are open to help you reach your academic goals and look forward to seeing you in the Learning Center. If you would prefer to meet virtually, just contact us and we will set up a meeting. We are here to help!

# Book Your Private Party!

**The Sunroom**

## OUTSTANDING JOB!!!

I just hosted a private event at the MC Town & Country Club - Leigh Rae (Kitchen Manager) and Robyn (Bar Manager) went ABOVE and BEYOND on every single detail. Everyone who attended mentioned how great the food and service was. The facilities are perfect for a party - large rooms to choose from, as well as a generous outdoor space, plus ample parking and bathrooms. They did an OUTSTANDING JOB!!!
