

CITIZEN of the YEAR AWARDS

We're looking for a few Good Citizens! In the last year, more than ever, our local area residents went above and beyond in their service to others. Although we will not be holding the Chamber Banquet & Awards Ceremony this year, we still want to recognize these deserving people.

We ask you to submit nominations, including a letter detailing their contributions, for the categories listed below, by January 25, 2021. The awards are acknowledgment for service rendered in the community: 70% for service in calendar year 2020 and 30% for service in previous years.

The following are the six categories and any special requirements:

***Agriculture** – Any individual, partnership or company whose primary source of income is agriculture production, and who has shown significant contributions to, or outstanding success in, any Ag field. *This is awarded in September, at the Ag Banquet.*

***Business** – Any company in any business field, who has shown significant contributions to, or outstanding success in, their industry.

***Individual**– Any individual, not necessarily in an ownership capacity, who has made significant contributions to, or outstanding success in, their profession or field.

***Senior Citizen Volunteer** – Any retired person, not connected with a business or profession, who has made significant contributions to a business, profession, or organization in Southeastern Montana.

***Volunteer** – Any individual (not retired) who has made a significant (non-compensated) contribution to an organization or group in Southeastern Montana.

***Harvey Wolke Award for Community Betterment** – This award is not an annual award but instead, is presented only when an individual or group is cited for outstanding community betterment, civic vision, and the ability to motivate and guide the community in these efforts. Monetary self-gain or the opportunity for future self-gain cannot be an issue.

***Meritorious Service** – Initiated in 2016, this award is presented to an individual or group that has contributed to the community and deserves special recognition, but, does not necessarily fit into one of the other categories. It is chosen by the Chamber office, where the other nominations go to a committee, outside the Chamber, to make the final decisions.

You must submit a Letter, detailing your nominee's accomplishments, with the nomination.

Please submit your nominations by January 25, 2021. The nomination form is available for download, at: milescitychamber.com/citizen-of-the-year-awards

A committee, outside of the Chamber office, has been designated make the selections of the winners.
