— Open Studio —

By appointment only. Please call ahead. Thank you.

**2D Room & Ceramics Open Studio Wednesdays | 5:30 - 8:30 pm**

Both studios are open to the public during this specified time in the week. No prepared instruction will be provided by the education director. Rather, this is a time for artists or participants who are taking classes at the WAM to continue learning and creating on their own while using the excellent studio space provided by the WAM.

Use of the WAM studio facilities and supplies are free to the public; however, the ceramic studio requires a fee. For more information about studio spaces and all other questions, please contact our Education Director, Bonny Beth L Olson.

WINTER/SPRING KIDZ CLASSES

Hello Friends,

I hope you are excited to come out to the museum and start making more fun and exciting projects! The Paper Batik is a nice relaxing class, a good way to jump back into classes.

Plaster Carving will be a ton of fun!!! I can't wait to share my love of carving away plaster! We might even dive into watercolor as a surface coloring agent. It would be fun to explore those two mediums!

The Helpful Hive project will help students dive deep into their personal experiences and see how our community has come together to help one another. It's the perfect time to express how people in their lives have helped them through these crazy roller coaster days. And it's 3D, can't go wrong with 3D!

All the best,

Ms. BB

Education Director/Artist in Residence

February 20

Saturday | 1:00 - 3:00 pm

Instructor: Bonny Beth L Olson

Paper Batik

Students learn about the ancient art of batik and use crayons and tempera paint to make a paper version of the technique. It's messy so don't wear your favorite clothes! Aprons are provided.

Ages: 8+ | Limit: 5 | Members: \$10, Non-Members: \$15

March 27

Saturday | 1:00 - 4:00 pm

Instructor: Bonny Beth L Olson

Plaster Carving Wall Hanging

Here is a chance to participate in one of the most delicate fulfilling carving experiences in a traditional medium. Students will learn a new skill - the art of carving! They will create their own bas relief sculpture and have a better understanding of value, contrast, negative and positive space! We will look at patterns and styles of the Oceania wood carvings, African masks and sculpture carvings, and Malaysian wood carvings for inspiration!

Ages: 9+ | Limit: 5 | Members: \$20, Non-Members: \$35

April 10

Saturday | 1:00 - 4:00 pm

Instructor: Bonny Beth L Olson

Within the hive, honey bees each play a very important role. They all work together to make sure the hive is doing great! The same goes for us humans.

In our own communities, there are many different kinds of workers, all important in the success of a happy life. In this class, students will use an array of different mediums. They will be asked to consider the people who provide services and necessities for them to create inside content of the three-dimensional hexagon cells that represent their respective contribution. Cells will be connected to create a honeycomb-shaped display. I'm very excited to see how students use their imaginations to create their own Helpful Hive piece!

Ages: 8+ | Limit: 5 | Members: \$10, Non-Members: \$15

WaterWorks Art Museum - Buy a Brick Fundraiser

WaterWorks has been working on the Brick Repointing Project. The estimate for the project is \$30-\$35,000. WAM has qualified for the Revitalizing Montana's Rural Heritage Grant that will cover \$21,000. WAM needs to raise \$12,000. So far ticket sales have raised \$8,000. If we sell 400 more bricks, the project can begin! For each brick you buy, we will put your name in a drawing for some one of a kind items!! The drawing will be held the night of the Benefit Dinner, Saturday March 13.

BUCKAROO BASH 2021

SATURDAY, APRIL 17

The annual Buckaroo Bash, held by Miles Community College (MCC) has been scheduled this year for Saturday, April 17.

This fundraising event draws in supporters of the college and the MCC Rodeo team for a night of food, fun, and live/silent auction items on the MCC campus in Miles City. Funds from the event directly benefit the MCC rodeo scholarship program.

While normally held in February near Valentine's Day, this year the Buckaroo Bash has been pushed to a later date partly due to COVID-19 restraints.

The new date was ultimately chosen to coincide with the MCC College Rodeo, held at the Ag Advancement Center in Miles City, on April 15th and 16th.

EXCITING GRANT OPPORTUNITY FOR MASTER GARDENERS!

Growing Together Montana Grant Project

Growing Together Montana is an exciting new grant opportunity for Master Gardeners! This project is a partnership between the MSU Extension Nutrition Education Program and the Master Gardener program. The goal of the project is for Master Gardeners to grow produce to donate to local food banks, and work with the MSU SNAP-Ed program to provide nutrition education. Grants are being offered in amounts up to \$2,000 to support recipients in starting, reinvigorating, or maintaining a donation garden. Time spent on this project will also count toward Master Gardener volunteer hours.

This Institution is an equal opportunity provider.

This material was funded by USDA's Supplemental Nutrition Assistance Program – SNAP. The Supplemental Nutrition Assistance Program (SNAP) provides nutrition assistance to people with low income. It can help you buy nutritious foods for a better diet. To find out more, contact the Montana Public Assistance Helpline at 1-888-706-1535 or <https://apply.mt.gov/>. Montana State University Extension is an ADA/EO/AA/Veteran's Preference Employer and Provider of Educational Outreach.
