Remote Testing

The Learning Center's service area covers many square miles. In order to serve our out-of-town clients, we are now able to give the TABE (Test of Adult Basic Education) remotely. To take this initial assessment online, students need a device (other than their phone or Ipad) that is capable of running Chrome. Please contact us for all the details about how we can help you get started in your own home!

Live outside Miles City? Need a High School Equivalency? Need to brush-up for college or a job?

Start here from anywhere... we can work online with you!

A proud partner of the American Job Center network

Summer Hours

The Learning Center will begin their summer hours on May 10, 2021. Students can come in Monday through Thursday from 9 a.m. to 4 p.m. HiSET testing times will stay on the first and third Wednesdays of each month.

Great American Clean Up Challenge

Each year Keep Miles City Beautiful participates in the Great American Clean up. Help us meet the goal of removing 250 bags of trash!

Josh Sloan of Edward D. Jones will reward your efforts with a donation of \$1 per bag (up to \$250) to Wake Up and Lace Up. This donation is in honor of Cindy Reid, who was a wonderful champion for our community through her years of selfless service.

- April 27th through May 10th—Lets give Miles City a good clean up.
- The Be a Hero Group Incentive: For the group that picks up the most trash, David Counseling will donate \$100 to the charity of that group's choice.
- Details: If you see an area that is totally disgusting or even mildly annoying, go ahead and pick up the trash and post a picture with a message
 of how many bags you gathered. We report these stats to Keep America Beautiful which helps us with eligibility for grants that help keep our
 town beautiful!
- Not sure what needs to be cleaned? Message via Facebook or call/text Sue Morlock at 951-0967 to get an assignment.
- Need supplies? We can provide gloves, trash grabbers, safety vests and garbage bags. Just let Sue know what you need and she will make arrangements with you.
- Where do you put the trash you collect? Miles City Sanitation has graciously provided dumpsters at four locations. When you get your assignment, we will give you directions to the dumpster nearest your cleanup area.

We thank you for your service to Keep Miles City Beautiful!

Call the Miles City Library, at 234-1496, to schedule!

Volunteers, trained in cooperation with the IRS, offer free tax assistance and preparation for people with low to moderate income, with special attention to those age 50 and older. They are knowledgeable about many aspects of tax law, including the Affordable Care Act and its impact on your tax return. We can help you prepare and electronically file your federal and Montana state return, usually in one visit.

Best of all, this service is free to you. You do not need to be retired or a member of AARP to use this service.

Mandatory 10-Digit Dialing Coming to 406 Area Code

The Federal Communications Commission (FCC) has adopted 988 as a new three-digit number to be used nationwide to reach the National Suicide Prevention and Mental Health Crisis Lifeline, starting July 16, 2022. Until then, customers must continue to dial 1-800-273-TALK to reach the Lifeline. For 988 to work properly in our area code, and in several other area codes and states around the country, 10-digit local dialing needs to be implemented.

What is Changing?

All telephone customers may begin dialing 10 digits (area code + telephone number) for all local calls on April 24, 2021. If you forget and dial just 7 digits, your local call will still be completed. The 10-Digit Dialing for local calls will become mandatory on October 24, 2021. On and after this date, local calls dialed with only 7 digits may not be completed, and a recording may inform you that your call cannot be completed as dialed. If you get this recording, hang up and dial again using the area code with the 7-digit telephone number.

In addition to changing the way you dial local calls, services and equipment programmed to complete calls to 7-digit local numbers need to be reprogrammed to 10-digit numbers. This could include numbers stored in:

- Life safety systems or medical monitoring devices
- Business PBX systems
- Speed dial lists
- Mobile phone contacts
- Call forwarding settings
- Voice mail services
- Fire or burglar alarm and security systems

Fax machines

Please contact your medical alert or security provider if you are not sure whether your equipment needs to be reprogrammed to accommodate the upcoming change to 10-digit local dialing. Any necessary reprogramming of alarm and home security equipment should be done during the permissive dialing period of April 24, 2021 and October 24, 2021 to avoid interruption of services.

Businesses should also check your website, personal and business stationery, advertising materials, personal and business checks, contact information, your personal or pet ID tags, and other just items to ensure the area code is included.

What Will NOT Change?

Your telephone number, including current area code, will not change. The price of a call, coverage area, and other rates and services will not change due to the dialing change. If you are unsure whether a specific phone number is included under the Mid-Rivers Direct EAS ("Mid-Rivers to Mid-Rivers") or other EAS plan, check using the Reverse Phone tab of the Mid-Rivers Online Directory or contact us. Calls that are local now will remain local regardless of the number of dialts dialed.

You will continue to dial 1+ area code + telephone number for all long distance calls. You can still dial just three digits to reach 711 (relay services) and 911 (emergency services). Any 211, 311, 411, 511, 611 or 811 services available today can still be reached by dialing their three-digit codes.

National Prevention Week is an annual health observance dedicated to increasing public awareness of, and action around, mental health and/or substance use disorders.

Purpose of National Prevention Week

The three primary goals of National Prevention Week are to:

- * Involve communities in raising awareness of substance use and mental health issues and in implementing prevention strategies, and showcasing effectiveness of evidence-based prevention programs;
- * Foster partnerships and collaborations with federal agencies and national organizations dedicated to improving public health; and
- * Promote and disseminate quality substance use prevention and mental health promotion resources and publications.

Each year, National Prevention Week includes daily themes to focus on major substance use and mental health topics. The 2021 daily themes are:

Monday, May 10: Preventing Prescription Drug and Opioid Misuse

Tuesday, May 11: Preventing Underage Drinking and Alcohol Misuse

Wednesday, May 12: Preventing Illicit Drug Use and Youth Marijuana Use

Thursday, May 13: Preventing Youth Tobacco Use (E-Cigarettes and Vaping)

Friday, May 14: Preventing Suicide

How to Sign Up for the Summer Reading Program

Thank you for joining our 2021 Summer Reading Program! Welcome one and all! There are so many ways to sign up! You can: call or visit the front desk of the library, or fill out the online form at https://forms.gle/ HFdVZm/hRcbse8nV6. All ages are welcome, but we believe kindergarten and older will enjoy it the most! Events will be held in Riverside Park unless weather is bad, in which case it will be moved into Miles City Public Library.

Why should you get involved?

The Summer Reading Program is a great way to avoid the "summer slide" and keep reading and learning a priority!

This summer it is all about animals and the stories they inspire! Each week there will be new animals to learn about, crafts, stories, games, and special guests! There will be two sessions on Tuesdays and Thursdays, and both days will mirror each other so you can pick which day and time works best for you. Check out the calendar for hints about the craft of the day! Friday events will involve a guest that only comes at one time. Everyone is welcome, and we hope to see you there!

SPECIAL EVENTS & GUESTS!

Friday, June 4h:

Let's start this off with our favorite Early Learning Specialist from Montana PBS, Deanna Mydland! With events that abvays impress, we are excited to see what she has in store for us! It will be an animal adventure to be sure!

Friday, June 11th:

Animals are wonderful creatures, and there is nothing quite like a well trained and cared for animal. Local dog trainer Kelly Tarr will be here to teach us about pets, training, and care! Her friendly canine assistant will be joining us, so get ready to learn about pets!

Friday, June 18th:

We are so excited to have the wildlife experts themselves from Fish, Wildlife & Parks coming to teach us about creatures great and small. Join us for an unforgettable and wildly fun event!

Friday, June 25th:

Miles City and the surrounding area is filled with farmers and ranchers of all ages. It makes for a wonderful community, and we are thrilled to welcome the Rough Riders 4-H Club to the Summer Reading Program!

What fun it will be to learn from other kids who work with animals every day!
