# SUMMER KIDZ CREATE

Hello Parents and Young Artists,

Summer time! There is so many exciting projects planned and I can't wait to dive right in!

For the month of June, there will be guest instructors teaching the projects. I know you all will have a blast with these talented instructors. They are full of knowledge so let's all, myself included, take away every bit of tips and tricks they are going to share with us!

Parents, we are still wearing masks in groups, so please make sure your child has a mask. A water bottle will be great to bring to class too. Some classes might be outside. Wear your art clothes, aka...clothes/footwear that you don't mind getting messy or wrecked.

Once again, let's be flexible, let's get excited, let's enjoy what this summer has to offer. I'm ready to have some fun and be creative! Come be creative with me and our guest instructors!

All the best,

Ms. BB

Bonny Beth L Olson

Education Director/Artist in Residence

Miles City Public Library presents...

### How to Sign Up for the Summer Reading Program

Thank you for joining our 2021 Summer Reading Program! Welcome one and all! There are so many ways to sign up! You can call or visit the front desk of the library, or fill out the online form at <https://forms.gle/HFdVZm2nRbse8nV6>. All ages are welcome, but we believe kindergarten and older will enjoy it the most! Events will be held in Riverside Park unless weather is bad, in which case it will be moved into Miles City Public Library.

### Why should you get involved?

The Summer Reading Program is a great way to avoid the "summer slide" and keep reading and learning a priority! This summer it is all about animals and the stories they inspire! Each week there will be new animals to learn about, crafts, stories, games, and special guests! There will be two sessions on Tuesdays and Thursdays, and both days will mirror each other so you can pick which day and time works best for you. Check out the calendar for hints about the craft of the day! Friday events will involve a guest that only comes at one time. Everyone is welcome, and we hope to see you there!

### SPECIAL EVENTS & GUESTS!

#### Friday, June 4th

Let's start this off with our favorite Early Learning Specialist from Montana PBS, Deanna Mydland! With events that always impress, we are excited to see what she has in store for us! It will be an animal adventure to be sure!

#### Friday, June 11th:

Animals are wonderful creatures, and there is nothing quite like a well trained and cared for animal. Local dog trainer Kelly Tarr will be here to teach us about pets, training, and care! Her friendly canine assistant will be joining us, so get ready to learn about pets!

#### Friday, June 18th:

We are so excited to have the wildlife experts themselves from Fish, Wildlife & Parks coming to teach us about creatures great and small. Join us for an unforgettable and wildly fun event!

#### Friday, June 25th:

Miles City and the surrounding area is filled with farmers and ranchers of all ages. It makes for a wonderful community, and we are thrilled to welcome the Rough Riders 4-H Club to the Summer Reading Program! What fun it will be to learn from other kids who work with animals every day!

## **HELP IMPROVE OUR THEATRE**

### **Our Story**

**Like most of Miles City residents, we were very disheartened by the theatre being closed and in such disrepair for so long. So here we are...working through this jumble of needs.**

**We have grand goals of creating a space for a community theatre where there will be multiple movie options during the week, as well as a possibility to bring in live entertainment on the front stage.**
