Learning Center...

opening doors to your future

Room 208 at MCC

(406) 874-6152

LC@milescc.edu

Do you know someone who needs a high school diploma?

*The MCC Learning Center offers free instruction to prepare students 16 years and older for the High School Equivalency Test

*The HiSET (formerly GED) test is accepted at jobs and colleges and is considered the same as a traditional high school diploma

*Scholarships to cover the official testing costs are available

Contact the MCC Learning Center for more information

Celebrate the gift of education!

Holiday Closures

The MCC Learning Center will be closed December 24, 2021 through January 3, 2022. If you need study materials for over the holiday break, please contact the Learning Center before December 24.

Learning Center Hours:

Monday - Thursday: 8 a.m. to 4 p.m.

The MCC Learning Center prepares and empowers adults to achieve their educational, career, and personal goals.

Technology Checkout Available

Thanks to a grant from MidRivers, the Learning Center is planning to buy Chromebooks for HiSET students to take home and use. Additionally, the MCC Library has donated "hot spots" to check out, so users will have internet access to online curriculum. These were provided through the Institute of Museum and Library Services through the Montana State Library. Currently many students only have their phones to use, which don't interact well with some of the Learning Center's online programs. Also, the content can be hard to see on a phone's small screen. If you are interested in learning more about the technology available to check out at the Learning Center, please contact us.
