Do you remember the 'Welcome Wagon'?

It was a well-received program, from the 60-70s, to provide new residents with local information, coupons, promotional items, etc. The program has been inactive for decades but the need is still there!

Shannon Holmen, in a joint effort with the Miles City Area Chamber of Commerce, has created 'Welcome Neighbor' to meet that need, but we still need your help. If you know of someone who has recently moved to Miles City, please let us know their name, address, and phone number if possible. We will make contact and welcome them to our community with a bag of valuable information about Life in Miles City. It's that simple!

We love our town, and thank you for your efforts to help us promote all we have to offer.

For more information, contact Shannon at (406) 853-0647 or the Chamber office at (406) 234-2890.

*Note to businesses: If you have a general information flyer, business card, or small items to include in the bag, please drop them at the Chamber office.
(25 pieces would be a good number to start with)*
